Madras.

Sir,

The residents of Palimar and its neighbouring villages in Udipi Taluk put in a petition requesting that a rural dispensary may be opened in Palimar village on the ground that there is no medical aid within their easy reach. The Local Fund Hospital at Mulki is sufficiently far away from these villages and the petitioners find it difficult to get timely medical aid from this hospital. Palimar is also growing in importance. The rural dispensaries at Kokkarne, Malpe, Kunjal, Hangarcutta or Kota in Udipi Taluk being located too near to one another in a comparatively small area I proposed to the District Medical Officer that two of the dispensaries preferably those at Hangarcutta and Kunjal may be

18/5/1

shifted to Perdur and Palimar and in reply the District Medical Officer suggested that the dispensary at Hangarcutta and ---- Kunjal may be transferred to Palimar and Subramania

The District Board resolved that steps will be ---- taken to transfer the rural dispensaries at Kunjal and -------- Hangarcutta to Palimar and Perdur- vide District Board ------- Resolution No 64 dated 5.1.1935 copy enclosed. Representations were also received by me from several other villages urging---- the necessity for the opening of a rural dispensary. But in as much as the District Medical Officer is of opinion that -------- preference should be given to Palimar the dispensary at ------ Hangarcutta is proposed to be shifted there.

I request that Government may kindly be pleased to approve the action of the District Board and sanction the proposal of shifting of the existing rural Ayurvedic dispensary at ----- Hangarcutta to Palimar . The favour of an early order on this --- atter is requested so that the dispensary may be shifted before he monsoon sets in.

I have the honour to be,

Sir,

Your most obedient Servant,

President.

Sir,

Government Memorandum No.19938-1 D2 P.H., dated 27th May 1935.

The District Medical Officer,South Kanara, who was referred to in the matter reports after inspecting the place that Palimar is a decent, important and growing place. It has both a Boys' and a Girls' School, a big temple and an important Mutt. He is therefore of opinion that much useful purpose would be served by transferring the provision for Ayurvedic rural dispensary at Hangercutta to Palimar. I agree with the District Medical Officer.

2. The District Medical Officer further reports that no private medical practitioner has settled down for practice

Palimar or in its neighbourhood.

Sir,

Ref: Government Memo No.19938-1/D-2/P.H. dated 27th May 1935

I have the honour to submit that I have no objection to the proposal of the President, District Board, South Kanara to transfer the rural subsidized Ayurvedic dispensary at Hangarcutta to Palimar for reasons explained by him (President) in his letter to Government. Under clause 8 of the form of agreement appended to G.O.No.501 P.H. dated 27th February 1934, rural medical practitioners cannot be transferred as their contract is only for one villa. Hence immediate effect to the transfer can be given only by mutual agreement between the medical officer and the

President, District Board, otherwise the transfer can be made only after the present agreement executed by the medical officer ceases.

I have the honour to be,

Sir,

The DMS has also no objection to the proposal of the Shanars Board to transfer the dispensary at Kangayanthurai to Palimar. He however states that the transfer can be given effect only by mutual agreement between the medical officer and the Board. There is nothing in the file to show whether the medl practitioner is agreeable to the transfer of the dispensary. The transfer may be passed and the Dmay also informed that the transfer could be given effect to only with the mutual agreement between the medical officer and the Board. Draft order is accordingly submitted below for approval. Dmay be sent to Finance for acceptance
